## Who can view and edit content in Jems

**LEAD APPLICANT** - Only relevant during the application process.

**PARTNERS TEAMS** – LP and PP staff involved in reporting

- Users with Manage rights in the Lead Applicant team can add users to the partners' teams.
- The project manager of the LP should be manually added to all partners' teams to view progress on partners' report.
- The partners' team shall be added manually to its' own organisation team.
- All users in the partners' teams can view the project report.

The screenshot displays the Jems application interface for managing project privileges. It is divided into three main sections: Lead applicant, LP1 LP1, and PP2 PP2. Each section shows a list of users with their Jems username and email address, and a set of action buttons (view, edit, manage) and a trash icon. A red arrow points from the 'manage' button in the Lead applicant section to the LP1 LP1 section. The LP1 LP1 and PP2 PP2 sections also show a yellow banner indicating 'No control institution assigned'.
